

BHOLD WALKING TRAIL GROUNDBREAKING JANAURY 26, 2023

The Ricardo S. Lopez walking trail will be a symbol of one of the many great things that Brooks County has to offer. Phase one of our unique trail will include a quarter mile walking trail, benches for sitting and relaxing and will also include some fruit bearing trees. This day would not have come to fruition without the endless efforts and true dedication of our BHOLD Collation members, Judge Eric Ramos, Commissioners, & the Hogg Foundation for Mental Health.
