ACCESS TO HEALTH CARE GROUP PARTICIPATES IN HEALTH FAIR

Planning Meetings

Our Access to Health Care strategic interest group meets often to assist residents of Brooks County receive up to date information on health care services available in the area.

Participation

On April 6, 2023 our SIG group participated at a health fair hosted by Brooks County ISD Nurses. We assisted BCISD District Nurse, Mari Molina by donating BHOLD bags for community members to receive informational resources. BHOLD members were also onsite promoting and assisting residents with sign-up for our upcoming "Family Fun 5k Run/ Walk in May 2023."

Calaborations are Wins

BHOLD's coalition brings together many organizations and offers many opportunities for partnerships. Partnering allows everyone to be able to help and strengthen the overall objective which is to help the residents of Brooks County.
